On the night of the 17th inst., at Nashville, a German from Chattanooga was robbed of \$40 on the streets, by two I will enter upon the canvass early in I will enter upon the canvass early in

sent, nor has it ever looked better at this season of the year. We have been at some trouble to learn what the prospects are in East Tennessee for fruit, and we are pleased to be able to report that they are good. Peaches are said to be abuse. are pleased to be able to report that they are good. Peaches are said to be abundant."

The Union and Dispatch gives the following account of a casualty on the Louisville and Nashville railroad, on the night of the 15th inst.; John Cobb and Timothy, section hand, was a second of a resulting Murphy, section hand, empty, sec

night of the 15th inst.; John Cobb and Timothy Murphy, section hands employed on the Louisville and Nashville railroad, left their shanty, a few miles from Woodburn station, about dark, and went to Woodburn station, about dark, and went to Woodburn station. They drank the contents of the bottle and laid down and went to sleep on the track near sinking creek. About nine o'clock the down train, drawn by engine No. 10, came along, and the night being dark, they were unobserved by the engineer, and the train passed over them, killing and control of the southern discountry will make a full crop this year, notwithstanding all the drawbacks.

—T. W. Winter, of Canton, has been appointed and confirmed marshal of the United States court for the southern discountry who have generally got their corn planted, and are now hard at work planting of the large reduction of sixteen or seventeen cents per pound in price—middling now being quoted at 271 to 281c, against 43 to 44c last October. The fall in prices in Europe has been equally large, and with a slight margin between cotton on the one hand and goods and yarn on the other, consumption has for some mappointed and confirmed marshal of the United States court for the southern dis-

for Speciacies. He therefore claims that he federal capital—we, meantime, strictly bottom, and slightly covered, and the observing nay and order, and vigorously next one immediately over that, so that the property of the control of

marks the ignominious grave of Constitotional liberty, brase-knuckled by Congress, and ponlarded when prostrate and
inexpable of resistance, by those who
"mred the public heart" of the South,
and "forced it into secession," and who
now "would rather reign in hell, than
serve in heaven."
